

God's people are Jews or Israelites?

God's people are Jews or Israelites?

The common thought today is that the Jews are the people of God. But somehow the other 11 tribes get overlooked.

Genesis 49

When the father Jacob who is also called Israel, was at the end of his life he said "Gather me my children and let me tell them what will befall them in their latter days". He goes on to describe what would be the end times for the 12 tribes. And when it came to the tribe of Judah, which is where the term Jew came from, he said that "the scepter and the law giver would not depart from Judah until Shiloh comes". The thing is Shiloh did come because attached to that prophecy of Shiloh is that He would come riding on the foal of a colt as proof that it was their last days. And He did. This is what the Jews rejected when Christ rode in on a foal of a colt. He was Shiloh. They refused to pass on the scepter to the new law giver. And in themselves by their own admission saying "crucify him. He is not our king. They sealed the deal and cut themselves off from God. And they received damnation for doing so. The whole nation.

Just like the parable of the wicked vinedressers. They killed the messengers so LAST the owner sent His only Son and they said among themselves " come let us kill him, and His Inheritance will be ours".

The Son was the last one sent to the Jews. "Therefore what will the owner of the vineyard do? He will come and destroy the vine dressers and give the vineyard to others." And so he did. Us who are not Jews. All the law and the prophets were till John. That's all. Now the Kingdom is preached and all are entering.

And of the temple the Jews were in charge of? The stone which the builders rejected has become the Chief Cornerstone. Why? Because He is the invisible Stone and we are His living stones. We

are the great mountain Daniel described. The kingdom that shall not be destroyed replaces the one that was.

So those today who are looking at the new Jews as though they are something special are wrong. If God allows them to rebuild the city, laws and practises, it is because there is coming another damnation. God is just and will treat them the same way.

Because Shiloh came and expired that Prophecy and the end of the 12 tribes came as a means of being Gods instruments for salvation. This is why Jesus Christ said "all the law and the prophets are fulfilled" in him. Because he is all the prophecies wrapped up into one. He is the "Lo the volume of the book is writren of Me". Not the Jews. The whole book describes Him. "You search the scriptures and in them you think you have life. But those are things written of Me". He is the collection of all Gods things scattered on earth. He is the gathering. He is echad. He was Shiloh.

Paul in Romans refers to two different types of Jews, the circumsized in the flesh and the circumcised of the heart. That the true Jew isn't the outwardly visible Jew but the circumcision of the heart, which is inward and invisible.

Of the physical Jew Paul said he wished he was cut off instead of them, acknowledging their demise. But he concludes with this saying about them "these also have now been disobedient, that through the mercy shown you they also may obtain mercy". That is right. The exact same way as everone else. One at a time through faith with repentance. Not the city or the culture. But each one individually. Like us. No better, no worse. Equal opportunity. This us why before the throne of God are people from every nation tribe and tongue. God is just. (Revelation 5.9)

The old Jewish purpose of salvation is just as expired as every other prophecy because Jews being of the tribe of Judah being one of the 12 tribes of Israel is expired. All of the prophecies concerning the 12 have happened and expired their purpose. As we just quoted of Jacob, let me

His Kingdom At Hand

Operational and Active Today

<https://www.hiskingdomathand.com>

tell you what will befall you in your latter days. The end. That's it. Start the New Covenant. The old wine is not better.

This is why Christ said "time is fulfilled, the Kingdom of God is at hand ". He made no provision in that statement for anything else to be done. "It is finished" and not intermission for popcorn as you wait for another event. There is no 3rd covenant.

There is therefore no need for a city on earth for God or His people for the kingdom of the New Covenant is at hand. There's no need for a visible people for we are the children of God who worship Him in spirit and Truth, which is His proper Home "For the time that is coming is now when you will not seek God in Jerusalem". Even back then. So we don't. (John 4)

The faith chapter speaks of those who seek a homeland. That if they call to mind the old one they came out of they could return, but they desire the Heavenly one. The invisible one. That's why God is not ashamed to be called their God, for he has prepared the city for them." (Hebrews 11.13-16)

There is also no need for circumcision in a carnal way either as there is no need for the sacrifices to start again. The book of Hebrews says if those sacrifices would have taken away sin they would not have been repeated however Christ himself now appears for us on our behalf not in a carnal way but in heaven not the physical temple but the one Eternal with God in heavenlies the physical was patterned after.

To try and re-establish the old ways spits in the face of God and despises the blood of Christ. He has completely abolished sin in the flesh and it's visible sacraments. For by that one offering He has perfected forever in an eternal way those who come to Him.

The old ways are condemned. The temple was split from the top to the bottom, the earth quaked and the rocks were split". (Matthew 27.51). How are you suppose to fix that? It was demolished and put out of business. Like an unsafe building are all the instruments of the old covenant. Hence it is old, expired, fulfilled and torn down till "not one stone shall be left upon another" to never be

rebuilt.

These things are to be sown physically to be raised spiritually in your understanding. The temporal for the eternal. A trade takes place and all things become new, the old have passed away. Amen!

So a physical city a physical kingdom and the physical Jews with physical sacrifice and physical temples all had their purpose of only mirroring and mimicking with Shadows the Eternal original counterpart they were patterned after. As Moses was instructed "see that you make all things according to the pattern". And the pattern is? Eternal in the heavens being "the kingdom prepared from the foundation of the world." The original. "In that day". The day the ones of 24 hour increments mimics. It had no start. All of the elements and aspects of the characteristics of God are Eternal being flesh of his flesh bone of his bone of no flesh and no bone, but exactly like him in composition and design of spirit and truth as that being "from the beginning".

Our bone is sound doctrine. At the cross there were no bones broken for this cause. And our flesh is our garments of His righteousness. And for those of us who have overcome? We are pillars in the temple of our God. (Rev 3) because we uphold these truths.

Just as the Heavenly Jerusalem comes down of God from Heaven being composed of His invisible matter. The Heavenly Jerusalem who is the Mother of us all" who are born from above of Her composition. (Galatians 4.26)

If you are waiting for a new Jerusalem, who is your mother since it is not new yet? And of whom are you born again from? Are you made with visible bricks? Or assembled to the chief cornerstone.

The second coming notion is comprised of expired and fulfilled scriptures pulled off the shelf to need to be redone with events for carnal satisfaction for those who want to see to believe. But it is a wicked and adulterous generation that needs these signs to receive the Kingdom because they

just cannot believe. They are a generation in whom there is no faith. Just like the Jew.

But there are many of us who have joined the family of faith who looked for a city whose Builder and maker is God, whose composition design and features are of God himself. And we found Her. For those still looking for a new Jerusalem on earth? They are not entering and are not allowing those who are trying to do so because they want to see it. They are the competitors. With all lying signs and wonders. But we know better.

God said "yet once more I shake not only earth but heavens and earth. Yet one more indicates the removal of the things that are made so that the things that are Eternal May remain. So why wait for that event? Even now the eternal remains. But then it will be without competition.

So what shall happened to Judah in their later days? Their later days has happened. They are gone.

It is us that know those who say they are Jews and are not. They are of the synagogue of satan. Can you see them now?
