

The Abomination of desolation and the Son of Perdition

The Abomination of desolation and the Son of Perdition warned about in scripture is the collection of all the shadows and images of the things of God that by contrast only portrayed the heavenlies but built on planet earth for explanation purposes only. To understand the invisible and eternal with temporary things. The "all things" displayed in the law and prophets and ministered by the priests with sacrifices on feast days were descriptions of invisible things. But there is a re-presentation of these things being rebuilt today, denying they were fulfilled by Christ, they seek to recreate and re-present another fulfilling of scripture and they call it a second coming. This is "the lie with all lying signs and wonders if possible to deceive the elect". And just as Christ was rejected in the day, so these likewise do.

The expectations in Israel today of a Kingdom of God being built for the Messiah is as blatant of a rejection of the Son of God as the Jews of old and will receive the same demise. Which is? "Not one stone shall be left upon another". Why? Because they too have rejected the Chief Cornerstone, and they too reject that "we are living stones assembled for God in the spirit". They reject that "now we are fellow citizens, saints and members of the household of God" and need no physical address or recreation on earth for this to be true. Why? Because they, like their predecessors, "seeing with their eyes they see not, and hearing with their ears they hear not. Because it is with the heart you must see and hear the things of God. Even as the Son of God, when he temporarily became a physical man "and dwelled among us" said to the Samaritan lady at the well, "the time that is coming NOW IS when you will not worship the Father In Jerusalem, but in Spirit, this is truth". So today's Jerusalem is a lie. Jerusalem on earth is not "in spirit and truth and is therefore The Lie.

The message of the antichrist is another Christ and another coming called the 2nd coming, a phrase not found once in scripture. These reject the saving of the cross. They take all the law and the prophets that were fulfilled in Christ and say "no they are not! The next Jesus/savior/Messiah does this". Professing to be wise they become fools and turn the Glory of the eternal, immortal, invisible only wise God into the image and expectation of a man for mankind.

Even as Paul had said of these deniers "11 And for this reason God will send them strong delusion, that they should believe the lie, 12 that they all may be condemned who did not believe the truth but had pleasure in unrighteousness". God purposely gave them a back door. By diverting the use of scripture to reconcile us to God, they re-purpose scripture to un-deify God and make Him a construct of time and matter. As if God could be a subject of and be limited by His creation but "even all the heavens cannot contain God". He cannot be assigned to a locality in a city on planet earth with a zip code. Why? Because He is the "I am with you always, even through all the ages". It is Him who fills everything everywhere all the time. It is "in Him we live and dwell and have our being"

It is on this page and in every article on this website using scripture to present to you the message first from Christ, given to the disciples, read more clearly through the New Covenant writings (in contrast to the old Covenant and Kingdom) that all the law and the prophets were till Christ, the old being fulfilled and expired He provided "a new and living Way" to the Father. That message is? T HE KINGDOM OF GOD IS AT HAND.

The abomination of desolation was seen at the judgement of Jerusalem saying "on you shall be laid the guilt and condemnation of all the bloodshed from righteous Able to Zechariah". This is to be repeated at the end of this age when the reconstruction is complete. Both the Jerusalem of old and any such modern day reconstruction are copies, images and shadows of the old expired covenant, that then was used only to image the eternal, but when left to themselves to be the objects of adornment become adulterous and idolatrous. Just as the destruction of Jerusalem of old started with Christ on the cross when the temple was torn from top to bottom to where even an earthquake split the bedrock on which it was founded . Condemning that Temple now becomes an artifact. That judgment continued "till not one stone was left upon another", Jerusalem was razed to the ground unrecognizable. Contrary to Common belief that the Wailing Wall was some portion of that City. There was "not one stone left upon another "

But there are many still today who believe that another Jerusalem has some sort of ceremonial value.

Any such earthen object thought to please God by trying to re-fulfill scripture denies the fulfillment already taken place and becomes a counterfeit, a mimicker, a wannabe their of the affections and admirers of God. "Professing to be wise they are fools and turn the Glory of the incorruptible God into the image of a man".

Even as Moses was instructed to make all things according to the pattern shown on the mountain. The things shown on the mountain were the real and not the things that were made. They were added till faith came.

The Abomination of desolation and the Son of Perdition is The false gathering. When Paul talked about the "gathering together in one all things in Christ. Whether in Heaven or on earth. Where? In Him and not on earth.

It was because the expired covenant and the Jews were trying to do just that, that they were condemned. They viewed the things of God to be manifest in the physical and for this reason Revelation 11 calls Jerusalem on earth Sodom and Egypt.

They old covenant and it's Kingdom physical Jerusalem portrayed by contrasts the eternal. They were fleshy commands given to a specific people in a specific place with a specific language on specific days and God came in Christ Jesus and expired all the specifics. For there is no longer Jew nor Greek, bond or slave. And as the Holy Spirit departed from Jerusalem of old, all the people from every language, tribe and dialect were seen speaking the Glories of God at the feast of Pentecost.

So no longer was Jerusalem the designated meeting place. No it was too specific. Now the Holy Spirit was seen "where 2 or more are gathered together in My name". And this new meeting place also expired the commandments written on stones of old. No, no, no. The New Covenant says "I will write my laws in their hearts and imprint them on their minds". And in this way jumping over the laws the prophets and that kingdom, going back to the promised to Abraham, Isaac and Jacob, God fulfilled the promises referring to the gentile "that in you all the nation's of the earth shall be blessed".

By instituting the new covenant the old are left as just relics of a bygone age being artifacts that served its purpose of explaining heavenly things in contrasts by specifics.

So for those who reject this reject Christ because this is what He came to do saying to the Father "sacrifice and sin you had no pleasure in, I have come to do your will oh God. Christ took away the first to establish the second. Seeing these contrasts is "rightly dividing the word of truth". This is why learned to call the old covenant law the gospel of death engraved on stones, verse the gospel of life written on the heart. The specifics were replaced.

Any future re-establishment of the old artifacts and relics just spits in the face of our Lord who tore them down. So much so in fact that for this reason it is called the abomination that makes desolate because the Holy Spirit departed from there to never return. To re-establish Jerusalem of old is just a reunion of the faithless, "with all lying signs and wonders if possible to deceive the Elect". You who revel in modern day Israel will get your wish when God is done with the harvest. "When you see the abomination that makes desolate, let them who read understand. Uou have bern forewarned.
