

Incognito 2

1 John 3.1 We are the children of God. the world does not know us because it did not know Him." They did not know Him because they couldn't see Him as He is. They thought he was a carnal body, but in the beginning He was word. He never changed from that. That is why the world does not know Him. And because they can't see Him as word, they cannot see us who became word. Us who have taken the various truths hidden in scripture, pluck them off The pages and integrate them into our mind to become the thing that is said. The thing that is said is words. But more specifically the word that God said is a very piece of Himself we call "the only begotten of God the father". And because God cannot be partitioned or broken down in the spirit, when He sent His Son, He went with Him. But it was not that God had to go anyplace He wasn't already.

So what's the difference? God is everywhere except in the region's of the minds that don t allow Him in, either by ignorance, fear, or rejection. This is walking in darkness. But in Him is no darkness at all. We who walk in the light as He is the light know this. He is not in the light. He is the light and we are in Him. We have no darkness at all.

This is why the Son said "I and the Father are one". They separated once at the cross to fill the darkness. The Fathers association is the invisible and the Sons is the flesh. For this reason He was also called the son of man. It is the spirit that fills all and all.

This breakdown is shown with Abraham when the Three Angels appeared. He had relationship with the Father the Son and the spirit. However at the Judgment of Sodom and Gomorrah only two of those angels went for judgment. They were two of the aspects of the godhead. It was the people in Sodom who are outside asking to bring out the two angels that they may know them. This is the same knowing as Adam and Eve. It is a dna transfer. As Paul said "now that we have known God or rather known by God". These people wanted to know them carnally, in a physical way. Meaning they did not want to accept them in their true construct of who they are, spirit and Truth.

And this is the demise of the second coming message. Sodom is the place where our Lord was slain which is also called spiritually Sodom and Gomorrah but physically was Jerusalem. In the sad thing is it's the second coming Seekers who are in the same estate.
