

End of the Gentiles part 1

•

Jerusalem today being fitted for the coming Messiah, the Christ is a fairytale. It's a tale of Fallen fairies meant to deceive.

Jesus Christ came preaching the kingdom of God is at hand and all are pressing in. And he was not talking about Jerusalem on planet Earth. The stewardship of the things of God was taken from the Jews and given to the Gentiles. The time of the Gentiles comes after the time of the Jews was over. And when the time of the Gentiles is fulfilled, it is because the time of the Gentiles is over.

When the times of the Gentiles have been fulfilled, it is because it looks like the times of the Jews that were fulfilled. It is a Time when the Gentiles concept of God matches that of the Jerusalem of old. The modern Jew and the modern Christian are becoming very close friends and allies because they believe the same thing. But it is not as though today's Jews have elevated to the message of Christ in the scriptures. No it is that the modern-day message of Christianity matches that of the Jews of old. It is just as fruitless. How can we say that? Because they asked the same question as the does the Pharisees who were chiding Jesus when they said "when does your kingdom appear". They were showing their mindset and what they were looking for and what they were hoping for was something yet to come, but many press in. When you tell them the kingdom of God is at hand, they argue with you and tell you it's later. Jesus Christ told these vulchers, this broos of vipers and sons of Satan, these Whited sepulchres that "you are not entering the kingdom nor are you allowing those to do so". Showing here then that the kingdom of God that could be entered at that point of time and is not the thing on Earth called Jerusalem. For how could the Christ have said you are not entering nor allowing those to do so when they were standing in the Jerusalem they thought was the Kingdom of God?

When Christ became flesh and dwelt Among Us, while he was talking to the Pharisees he said destroy this Temple and I will build it in three days. Even then they thought he was talking about the silly structures in the city on Earth called Jerusalem. But he was speaking of his body is the temple of God and not a thing Hyun out of stone with man's devising.

For you see even then the temple that they considered sacred and holy was built by an Edomite called Herod. The Jews being 1/12 of the tribes of Israel who should have known that from the beginning. They were instructed not to put any man's tools on any of the stones that they used to build. However they were completely satisfied with not only having hewn stone, but also having somebody build it for them without any permission or blueprints from the Living God.

And if that wasn't bad enough then, how about today where they call the building the Temple of Herod, when actually it was built as a fortress for the armies of Titus. You see when the disciples were questioning Christ in in amazement about the city in the structure of the buildings Christ told them then the not one stone should be left upon another that would not be overthrown. Showing for us here that what they are calling a temple or holy today was really a Garrison for the Army.

So realistically from God's view looking at blueprints that He had given them to build something in the likeness of things in heaven saying "make these all things according to what you see on the mountain". But this thing they were looking at then call Jerusalem in Israel was a monstrous thing. It was a smash together of components that had nothing to do with God's Kingdom or His doing other than He had given them up to their own lusts. Romans 1.

Today we see even a greater looking monstrous thing. A beast. A city whose foundations are apartheid, murder and deceit and not "righteousness and truth". With military support, neighbors are bulldozed and mowed over to make room for more zealots leaving the established culture pushed out of their own land and forced to live outside a wall without modern provisions. Umm. Does this sound like a loving God?

The modern Jerusalem whose government buildings and kaneset are clearly lined with Satan symbols showing who their father is. "For you know those who say they are Jews but are of the synagogue of Satan". Do you?
