

## **The Zionist Jews and The Seat of Satan**

The U.S. is the number one debtor nation in the world and a global currency. "In God We Trust". Which God? The God of Mammon. Scripture says "you cannot serve God and Mammon. Money is "the God of this age". It is "the root of all evil" and the place where Satan's seat is.

The U.S. lost her sovereignty when the constitutional mandate for congress to coin and regulate money was usurped to establish the Federal Reserve Act and empower a private group of people to regulate her money. The U.S. now imposes this debt with the nation's of the world. Here is how.

---

The United States Congress was responsible for coining and regulating currency as outlined by her constitution. This responsibility was usurped when congress was forced to vote on the Federal Reserve Act of 1913 during a Christmas session before they could go home for the hollidays, without proper time to read it. It was stated to be a government runned program, but little did they know that they empowered a small group of people of whom the U.S. would be forever making payments to. Acrtilce 1 section 8 of the constitution was abridged that outlines that congress is "To coin Money, regulate the Value thereof, and of foreign Coin, and fix the Standard of Weights and Measures". Her yearly stipend to this group today is nearly 6 billion dollars.

---

Later through the Bretton Woods act of 1944 the IMF and the World Bank was created to provide consistent money for the nation's of the world by being attached to The Ferderal Reserves currency called the U.S. dollar which was backed by gold to give it value.

---

With President Nixon in 1971 the gold standard was removed from the U.S. currency to infuse all these other nations to the debt based U.S. dollar and shackle them with growing debt. Just look at the global debt clocks to see all the nations growing debt.

Operational and Active Today

---

The globe's currencies are controlled by a private group of people who own the Federal Reserve, the International Monetary Fund (IMF) and World Bank, backed up by nothing but debt and paper. Burnable paper and debt to consume the consumers. This system must return to an asset based currency or the users will be consumed by total debt. This is their plan.

---

It works like this. A countries leader asks the world bankers for a trillion dollars. The bankers say "do you have the paper and ink to print it? They say yes. Do you have the printers and the workforce? They say yes. Do you have the buildings and distributing methods? They say yes. These bankers then say, okay but you owe us compounding interest for it. The bankers gave that country something they already had, that they didn't have to borrow. Paper, ink, printers, workforce, the buildings and the distribution means. The bankers get ongoing, growing dividends of the currency that was just created out of thin air. Who gave them permission?

---

And to impose this power on other nations they use the U.S. military. This is the strong arm for these people, to force other government's to comply with their money schemes , or be further extorted, impoverished and war torn. Their tools are sanctions, tariffs, trade barriers, terrorism and acts of covert, un-declared war. This is criminal to do but never the less the U.S. has her agencies. Just look at the O.F.A.C. and see what they do to noncompliant.

Office of Foreign Accets Control listed under the Department of the Treasury.

---

They defame the Nations non-compliant leaders as dictators in need to be liberated from and to overthrown. These countries have valuable resources but cannot sell them on the world market to feed their people because of their tactics. This creates terrible unrest as people flee these impoverished regions. The immigration imbalances further stifle other economies.

---

In this way the U.S. citizens are implicit in these crimes against God and humanity. They accuse others of weapons of mass destruction, then wipe them out with weapons of mass destruction, and show their hypocrisy.

---

The Fed's threaten million percent inflation or comply and they use the United States as the enforcer. Who can withstand this. This is the same blindness and nationalist dominance that happened to the German citizens under Hitler. Nationalist meaning Nazi. Do you get it? who appointed the United States as the global lawgiver and enforcers?

---

This is how debt and nation slavery is implemented. They use these tactics like gang thugs who extort mom and pop businesses for cash or be terrorized. Who controls the global money rules the world. You know these faceless people by their logos on their corporate pawns. One is the pyramid with the all seeing eye as seen on the dollar bill. You see it in government buildings, places of worship, and even Hollywood in the city of angels, fallen angels spewing out human garbage. The eye logo is deeply embedded. Look at the logos, trade marks and stages that are re-pleat with the eye showing their master. This symbol is seen scattered about society to implant the illusion of control over their subject actors and politicians.

---

And who controls the U.S. in this state of harlotry? Those who control her currency. The Zionist Jews who control the U.S. through debt/slavery money. In this way she serves the God of this age Mammon and Satan.

---

These Zionist are the same money changers Christ overturned their tables in the temple of old. In this way the U.S. has been extorted. Currently her yearly debt payment to these people is about 600 billion a year, and the world debt is said to be \$184 trillion Andy growing, that the nations of the world owe to these thugs. That is what these peoples bank holdings look like. Not to mention the agencies and corporations they have gobbled up since their inception from the interest payments they have already received. They also use their money to bribe dignitaries and stir up incerections to promote their agenda.

---

The U.S. debt has reached a criticle point. Much like a patient on a death bed bleeding out multiple holes as the doctors just pump more blood in to sustain life instead of stopping the bleeding. So too the money brokers use a scheme to artificially inflate the economy with what they call "quantitative easing". It is just a cash infusion of their own money given back into the economy to give the illusion that everything is okay. They really do not want to be paid back. They want the debt to

---

increase until they have total power and control of all the accets and resources. They honestly believe the world is theirs and with the help of the U.S. it is becoming so. Unless people wake up to the gods of this age and cast off their shackles, they will. They will fulfill Mystery Babylon and the Beast from scripture. This is why the scriptures call to "Come out of Her My people" is so prevalent today. Not to move out, but to not take part in her sins, and take a stand against her ways.

---

It was John F. Kennedy who was assassinated for printing Silver Certificates, a curenry backed by gold without Zionist logos showing the Federal Reserves demise.

J.F.K. tried to warn us as about these thugs as seen here below.

The symbol of the pyramid the Zionist use is fashioned with smooth stones of mans devising with the all seeing eye, hovering just above, is their trademark of defiance. Babylon is rising. The pit of hell is opened up and the men of renown talked about from the days of Noah are known again in our day. Babylon is fallen and become a snare, a trap and a pit for every unclean and hated bird and Not so mysterious Babylon is their home. The Zionist extortionists known as the satanic beast in scripture carry her about where they want her to go.

---

When Gods Israelite's were instructed; "if thou wilt make Me an altar of stone, thou shalt not build it of hewn stone: for if thou lift up thy tool upon it, thou hast polluted it. (Exodus 20.25) God's things are not made of man's devising.

---

That is why the modern Zionist Jews symbol of the pyramid built by Freemasons is polluted. The name "Zion" has been stolen. It is satanic. It is made completely of mans devising of smooth stones, and called by one of God's names. Zion.

---

Because of this we refer to the scripture that says "we know those who say they are Jews and are not, but are of the synagogue of Satan". This is who Satan is identified with in the Book of Revelation. And Satan is the spirit in the Beast that carries about the Harlot. The US is largely under the influence of Satan in this way.

---

It is the free masons, meaning bricklayers who build with hewn stone, that associate with the pyramid to support the all seeing "eye in the sky" now being manifest in the www. With eyes on you, they seek to captivate and control by whatever means necessary. These Zionist impersonation of the Mt Zion of God is blasphemous as being another ubiquitous entity. Through it people feel a godlike mastery, but's with it give up their God given sovereignty for the sovereignty of another by accepting terms and conditions.

---

---

The all seeing eye is the www. when fully developed, hijacked and implemented by their institutions. The voluntary accepting the terms and conditions to the various apps is addictive and a soft sell form of the final implant app. When currencies abuse increases and cybercash reaches its demise, and people fear for their life, it is one small step from handing over your cell phone, credit cards, health card and ID cardsto receive an un-stealable implant. This is why there is a global push for free cell phones. To register everyone win the cyber sphere. Almost 70% of the world population has cell phones already. With the push to register all people by facial scans and chipped with all their personal history and information, cyber citizenry will be complete. With all the eyes and ears connected to the Web tracking you even now, everyone will be trapped . For now you are still in the soft cell era, but their realization will come then you can question things like, an Apple with a bite out of it? Hmm. What did that imply? You can't say you didn't know.

---

The Kingdom of God is always at hand. You don't need to be under another government.

---

Revelation 3.9 Indeed I will make *those* of the synagogue of **Satan**, who say they are Jews and are not, but lie—indeed I will make them come and worship before your feet, and to know that I have loved you.
